PROFESSIONAL SUMMARY

With over ten years of teaching and tutoring experience, a B.A in English (minor Communications), a M.A. in Education and English, and a 7th-12th grade teaching license, my accomplishments include various presentations at several conferences and symposiums; involvement with several committees that have chosen various texts for students either as a common text or for an English course, reviewed and improved rubrics according to Quality Matters standards, reviewed submitted APRs, selected works for the Columbus State Community College publication, *Et Al*; and collaborated with other colleges/universities. I have served on Central State University's judicial board; assisted with first year students during orientation week and other events on campuses throughout Ohio; and have become fluent in various forms of technology such as Blackboard, Angel, WebEx, Turning Points, and Microsoft Office. Because I am continually improving my teaching style through consistent professional development, it has led to my recognition on different occasions including at Columbus State Community College where I was given the "Outstanding Adjunct Award" in 2014. I am also certified with the National Tutoring Association and as a Change Agent.

SKILLS SUMMARY

- ◆ Blackboard/Angel Learning
- ◆ Webex
- ◆ Report Preparation
- ◆ General Office Skills (i.e. typing)
